**Please Note:**

Toilet models eligible for rebate are in accordance with successful completion of Maximum Performance (MaP) independent third party toilet model testings 500+ threshold, and meets the Los Angeles specification (SPS) for water savings sustainability;

The eligible toilets on the Residential City-Selected Toilet List is subject to change upon the availability of new MaP toilet testing results;

The City of Woodstock will not honour rebates for non-approved toilets. Please verify that you have purchased the correct model of both bowl and tank. Only those model numbers listed will be approved.

The City of Woodstock does not endorse specific brands, products, or retailers/dealers; nor does it guarantee materials, workmanship, performance, or durability of the qualifying item.

The approximate Price Category is for white coloured fixtures, and is a guideline only
